

Put Down That Lipstick!!!
A consumers' guide to Strictly Vegan cosmetics

By

Joanne Rose

Vegan Virgin.com

Each year, millions of animals suffer and die from animal testing!

There are NO federal regulations that say companies have to do it!!

Help put an end to the cruel and unnecessary practice of animal testing with this easy to use guide.

Put Down That Lipstick is a product of Vegan Virgin Enterprise, a company founded by Joanne Rose which is dedicated to educating the vegan lifestyle and animal rights.

Vegan Virgin Enterprise would like to thank PETA for the information provided in this guide which based on current data available from PETA's list of "strictly vegan products". For the most up-to-date information, visit the PETA website at **www.peta.org**

Strictly Vegan

Companies that manufacture vegan-only products made without animal-derived ingredients such as honey, beeswax, milk, eggs and gelatin. Also free from lanolin and slaughterhouse by-products.
